

Instructions for music homework

In Week 7, you can share your interpretation of a pop song to your group (in an informal manner; the lyrics should be in English). I would like for you to speak in-depth about your chosen song during the class.

1. **To submit in class at the start of Week 7:** A printed copy of the lyrics of your selected song to the next class. On the print out, you should:
 - Identify the different sections of the song (verse, pre-chorus, etc.) and determine any types of figurative language used in the lyrics (highlight this).
2. **VIDEO Homework:** Record a video of a summary of your interpretation (this is a shortened video of 2 to 3 minutes in length)
 - Study the narrative of the lyrics, and think about your interpretation of the song. Do not rely on the music video for this, as the music video will be just the interpretation of the song from the director. I want to hear your interpretation. You need not talk about the structure (as you will hand in the print out during class).

Please avoid the following songs (including cover versions) 😊

Yesterday Once More (by The Carpenters)

My Heart Will Go On (Celine Dion)

Lemon Tree (Fool's Garden)

Edelweiss (The Sound of Music)

Seasons in the Sun

Take me to your heart

We Are the World

My Love

You Raise Me Up

Hotel California

In fact - All songs by Westlife!
