Website resources - Pronunciation

1. http://soundsofspeech.uiowa.edu/

This app from the University of Iowa's website shows you how to make the sounds of American English. It shows you exactly what you have to do in your mouth to make these sounds, plays the sounds for you, and has examples of words using the sounds so you can see and hear how they are made.

Unfortunately, the free web version has closed. It's now only available through the android/ios app store.

2. Minimal pairs – search online to get many lists of this

(Here is a good website)

3. http://www.bbc.co.uk/learningenglish/english/features/pronunciation

A great website for British English pronunciation. Many videos to help with your pronunciation.

Books for pronunciation (elementary, intermediate and advanced levels)
